

DID YOU KNOW . . . that we now have an email distribution list for our ECOB Sustainability Circle?

If you'd like to be able to send or receive emails to/from others in our congregation who are interested in living in a more environmentally responsible manner, to share information, ask questions, offer resources or otherwise participate in the dialogue, here's all you need to do:

1. SIGN YOURSELF UP to be on the Sustainability Circle email distribution list (called a "group" in Yahoo):
Simply send a blank email to:

ECOBSC-subscribe@yahogroups.com

You'll receive a confirmation email. Follow the link in that email and click "JOIN THE MAILING LIST".

You will then automatically receive a copy of any email sent by any member of the Sustainability Circle in your own email Inbox.

2. Any time YOU would like to send an email to everyone on the Sustainability Circle email list, simply open your email system, compose a new email and type ECOBSC@yahogroups.com into the "TO" field. Type your email and hit send – and it will automatically go to everyone who has signed up to be in the group.

3. Finally, one of the very first things you can do to become more environmentally responsible AND help our church is sign up to receive our church newsletter, *Through the Columns*, electronically INSTEAD of via postal mail.

Doing so helps ALL of us in our efforts to be good stewards of the earth and of our resources, by:

- saving paper and all of the resources that go into making paper
- reducing our church expenses for staff time and materials to print, collate, staple, sort, label and mail unnecessary printed copies of the newsletter

It's easy to sign up! Simply send a blank email to:

ECOBColumns-subscribe@yahogroups.com.

You'll receive a confirmation email. Follow the link in that email and click "JOIN THE MAILING LIST".

Each month, when the next issue of Columns is available electronically, you will receive an email from the church office containing a link to the electronic version of the newsletter.
