### 1 - Storage: AV Tech and Music

- The Worship Center Team, Music, and Sound will collaborate to define the usage of the current space. Including new stand rack(s).

### 2 - Guest Musicians:

- Kim and Rachel - make use of our guest musician line.
- Can use this funding to supplement congregant participation and help keep us using a wide variety of musical styles in worship.
- Thank you for the increased use of the organ - to keep traditionalists happy.

### 3 - Kim use your 4 weeks off as accompanist.

- separate from using a guest organist - can be these weeks
- the guest musicians are complementing what you do, not replacing it.)

### 4 - Cameras - approved.

- Question from Craig Coble: With the new cameras, once in use, I realize the picture quality will be excellent on the sending end, but what kind of improvement will the typical viewer see on the receiving end? How dependent is that on the signal they get and what they are viewing with?
- Jason - sooner rather than later. approaching 1/2 of weekly attendance online some weeks.
- Old cameras - if we will not use them, can we donate to another church?

### 5 - Sound drop on streaming?

- New Network? - since the change we have had some issues. Rewiring with construction?
- Consultants to review - TCW Glick AV
- Could we isolate systems?

### 6 - Fellowship hall sound? - TCW Glick AV

- Reuse old speakers
- Quote for new speakers?
- Video in Fellowship Hall options.

### 7 - Concert series:
