

OFFICIAL MINUTES OF THE NURTURE COMMISSION MEETING JANUARY 17,
2024

Attending: Rose Baer, Jason Haldeman (Pastoral Rep), Lois Herr (Chair), Pat Hoffer, Liz Landis

The Nurture Commission reaffirmed its mission (as it was revised in 2021)

The ECOB Nurture Commission has responsibility for the inner mission of the church. The Commission shall be responsible for providing experiences that enable persons of all ages to develop faith and grow in Christlikeness as disciples. The Commission shall assume responsibility for opportunities that strengthen the body of Christ by building and nurturing friendships and relationships.

Because three of the members are new to the Commission, this meeting was primarily a getting-to-know-you session. No action was taken other than to switch to in-person meetings at the church starting with the February 21st meeting. Individual on-line access will be available and, in the case of inclement weather, the meeting may be entirely online.
