Trauma 101: Understanding Trauma, Resilience and Trauma-Informed Care

Multiple Dates and Times in June, Aug. & Sept.

LGH Health Campus

3rd Floor Large Conference Room

2100 Harrisburg Pike, Lancaster

All are invited to a **FREE** upcoming session of a 4-hour training course that explores the connections between childhood trauma and addiction, mental health concerns, and physical health issues, as well as how to help children and adults to build resilience and foster healing. Our own Melanie Snyder is one of the trainers. Many congregations and pastors are facing these issues in the midst of their own membership, and may be struggling with how to effectively respond to families and individuals impacted by these challenges. Visit www.brownpapertickets.com/event/4191476 to get dates, times and to register. Contact Penn Medicine LGH at 717-544-3811 with questions.

The entire worship service is streamed-live and is available on YouTube for our partner congregations, shut-ins, absentee members & friends.
